

**NOTICE OF INTENT TO CIRCULATE INITIATIVE PETITION FOR THE
LIMIT EXCESSIVE HEALTHCARE EXECUTIVE COMPENSATION
ORDINANCE INITIATIVE**

(Cal. Elect. Code § 9202)

NOTICE OF INTENT TO CIRCULATE PETITION

Notice is hereby given by the persons whose names appear hereon of their intention to circulate the petition within the City of Chula Vista for the purpose of adopting an initiative that will enact provisions regarding compensation limits for covered healthcare executives within the City.

A statement of the reasons of the proposed action as contemplated in said petition is as follows (up to 500 words):

The purpose of the Limit Excessive Healthcare Executive Compensation Ordinance is to establish a fair compensation limit for covered executives within the City. The compensation paid to chief executive officers, executives, managers, and administrators of hospitals and other healthcare facilities is often excessive, unnecessary, and inconsistent with the mission of providing high-quality, affordable medical care for all. This is especially true in light of the glaring healthcare inequalities that the ongoing Covid-19 pandemic has exposed. Excessive compensation diverts funds that could be invested in providing high-quality care and expanding access to affordable medical care for all City residents, undermining public confidence that the chief concern of our major healthcare providers is serving the community, not enriching individuals.

**INITIATIVE MEASURE TO BE DIRECTLY SUBMITTED TO THE VOTERS
LIMIT EXCESSIVE HEALTHCARE EXECUTIVE COMPENSATION ORDINANCE**

TITLE

This measure shall be known as the “Limit Excessive Healthcare Executive Compensation Ordinance.”

PURPOSE AND INTENT

This ordinance, adopted by the People of the City of Chula Vista, makes the following findings and has the following purposes:

The promotion and safeguarding of public health, safety, and the general welfare is within the authority of the City of Chula Vista. The People of the City are concerned with ever-rising healthcare costs within City borders, the difficulties that people living and working in the City face in finding high quality, affordable, and accessible medical care, and the stark discrepancies between the compensation of hospital and other healthcare executives and frontline staff members.

The compensation paid to chief executive officers, executives, managers, and administrators of hospitals and other healthcare facilities is often excessive, unnecessary, and inconsistent with the mission of providing high quality, affordable medical care for all. This is especially true in light of the glaring inequalities that the ongoing Covid-19 pandemic has exposed. Excessive compensation diverts funds that could be invested in providing high-quality care and expanding access to affordable medical care for all City residents, undermining public confidence that the chief concern of our major healthcare providers is serving the community, not enriching individuals. Executives, managers, and administrators of hospitals and other healthcare facilities can be reasonably compensated without receiving more than fifteen times the minimum wage paid to healthcare workers at covered facilities. At this level of compensation, Chula Vista hospitals and healthcare facilities will be more than able to attract and retain effective executive leadership.

Therefore, the People of the City of Chula Vista do ordain as follows:

DEFINITIONS AND COVERAGE

- (a) “Applicable Minimum Wage” means the state minimum wage, the City minimum wage, or any minimum wage required by state or City law for healthcare workers at Covered Healthcare Facilities, whichever is greater.
- (b) “City” means the City of Chula Vista.
- (c) “City Attorney” means the City Attorney and his/her designees, delegates and representatives.

 2. Covered Compensation includes severance or similar post-service or post-employment arrangements.
 3. Covered Compensation does not include contributions or payments required to be made to or from employee benefit plans covered by the Employee Retirement Income Security Act, 29 U.S.C. § 1001 et seq. (ERISA), nor the cost of any benefit or remuneration to the extent the inclusion of that benefit or remuneration in calculating total annual compensation would cause the limitation established by this subdivision to be preempted by federal law or to violate the state or federal constitution.
- (e) "Covered Executive" includes any individual who is employed at or by a Covered Healthcare Facility and whose primary duties are or were executive, managerial, or administrative for the Covered Healthcare Facility even if that individual also performs or performed other duties, and regardless of whether the individual is or was an employee or compensated pursuant to contract or subcontract.

- (h) “Integrated Healthcare Delivery System” means a system that includes both of the following: (1) one or more hospitals and (2) Covered Physician Groups, health care service plans, medical foundation clinics, or other facilities or entities, where the hospital or hospitals and other facilities or entities are related through:

Such failure or refusal need not be based on a deliberate malicious purpose or intent to defraud. A continued failure or refusal to perform anything required by this

ordinance shall be a Willful Violation if that failure or refusal continues after notification of non-compliance.

HEALTHCARE EXECUTIVE COMPENSATION

- (a) Covered Compensation from any source for any Covered Executive shall not exceed an amount equal to fifteen (15) times the amount required to be paid under the Applicable Minimum Wage for full-time work (2,080 hours) in one year. For example, if the Applicable Minimum Wage were \$15.50 per hour for the entirety of one calendar year, the Covered Compensation limit for that year would be \$483,600.
- (b) Payments, compensation, or remuneration for work performed or services provided at or for a Covered Healthcare Facility by a Covered Executive shall count toward the limits set forth in this section even if made by a separate entity.
- (c) Payments, compensation, or remuneration by a separate entity that is purported not to be for work performed or services provided at or for a Covered Healthcare Facility by a Covered Executive but that is unreasonably disproportionate to its purported purpose, or designed to evade the limitations in this Section, shall constitute a violation of this Section.
- (d) The limitations in this Section shall apply to compensation arrangements made or authorized on or after the date the City Clerk certified that the ordinance initiative petition containing this compensation limit had sufficient valid signatures to qualify the initiative for the ballot.

REPORTING AND DISCLOSURE

- (a) Every Covered Healthcare Facility shall maintain records for at least four (4) years showing compliance with the requirements of this ordinance, including Covered Compensation for all Covered Executives; as well as such other information as the City shall from time to time require.
- (b) Within nine months after the close of the calendar year, the Covered Healthcare Facility shall file a certification and annual report documenting compliance with this ordinance, signed under penalty of perjury. The certification must be completed on a form provided by the City Attorney. The annual report must show all Covered Compensation for all Covered Executives that is within 75% of, at, or above the Covered Compensation allowed by this ordinance.
- (c) The City Attorney shall have the authority to arrange for and conduct an audit for compliance with these "Reporting and Disclosure" provisions. The City shall notify the Covered Healthcare Facility in writing at least seven (7) days prior to the date of the audit. The Covered Healthcare Facility shall make available for inspection and copying its books and records during regular business hours upon reasonable notice, and those of any relevant affiliate entit(ies). Refusal to allow or to permit such an audit after a lawful demand by the City Attorney constitutes a Willful Violation of this ordinance.

ENFORCEMENT AND REMEDIES

- (a) Any Person who violates any provision of this ordinance shall be liable in a civil action brought by the City Attorney, by any Person aggrieved by a violation of this ordinance, by any entity a member of which is aggrieved by a violation of this ordinance, or any other Person or entity acting on behalf of the public.
- (b) Any Person who violates any provision of this ordinance may be liable for an amount up to \$1,000 for each violation. Each and every day during which any violation is committed, continued, or permitted is a separate violation of this ordinance. Interest shall accrue at the rate of 10% per annum as penalties become due and payable.
- (c) Any Person committing a Willful Violation of any provision of this ordinance shall, in addition to the penalties specified in this section, be subject to additional penalties in the amount of \$1,000 per Willful Violation. Each and every day during which a Willful Violation is committed, continued or permitted is a separate Willful Violation of this ordinance.
- (d) Any Covered Healthcare Facility that fails to comply with the Reporting and Disclosure requirements of this ordinance shall be liable for an amount up to \$1,000 for each day a compliant report is delinquent.
- (e) Any Person, before filing a civil action pursuant for violations of this ordinance, must first file with the City Attorney a written request for the City Attorney to commence the action. The request shall contain a statement of the grounds for believing a cause of action exists. The City Attorney shall respond within 40 days after receipt of the request, indicating whether the City Attorney intends to file a civil action. If the City Attorney indicates in the affirmative, and files suit within 40 days thereafter, no other action may be brought unless the action brought by the City Attorney is dismissed without prejudice. If the City Attorney does not respond within 40 days, or if it responds that it will not bring any action, the Person who filed the request with the City Attorney is entitled to bring a civil action as provided for herein.
- (f) Actions brought for the same violation or violations shall, to the extent allowable by law, be consolidated or coordinated in the court where the first-filed action is pending.
- (g) Any Person acting on behalf of a governmental entity that brings a civil action in a court of competent jurisdiction against any Person violating this ordinance, upon prevailing, shall be entitled to such legal or equitable relief as may be appropriate including, without limitation, the payment of twice the amount of the required refund, penalties, and interest due, up to the maximum amount allowable by law, and for injunctive relief, and shall be awarded reasonable attorneys' fees and expenses; provided however, that any non governmental Person or entity enforcing this ordinance on behalf of the public shall, upon prevailing, be entitled only to equitable, injunctive or restitution relief, and reasonable attorneys' fees and expenses.

- (h) A court of competent jurisdiction shall have the authority to reduce the civil penalties assessed on any Person upon a showing by that Person that the civil penalty amounts, under prevailing constitutional due process standards, are confiscatory.
- (i) No civil action alleging a violation of any provisions of this ordinance shall be filed more than four years after the date of the violation.
- (j) Within twelve months after the close of the calendar year, any Covered Executive receiving Covered Compensation shall refund the excess amounts, if any, above that permitted by this ordinance, plus 10% per annum interest on any excess compensation, and pay any applicable penalties. Failure or refusal to refund the excess is a Willful Violation of this ordinance and subjects the Covered Executive and any other Persons responsible to all available enforcement mechanisms, including but not limited to those provided for in this ordinance.
- (k) Any Person violating any provision of this ordinance shall be required to reimburse the full costs of the City for investigating and prosecuting the violation upon presentation of a bill for such costs.
- (l) The City Attorney shall be authorized to coordinate the implementation and enforcement of this ordinance, including delegating such authority to a designated agent, and may promulgate appropriate guidelines or rules for such purposes consistent with this ordinance. Any guidelines or rules promulgated shall have the force and effect of law. The City shall appropriate sufficient funds to enable the City Attorney to implement and enforce this ordinance.

CO-EXISTENCE WITH OTHER AVAILABLE RELIEF

All rights and remedies provided by this ordinance shall be in addition to and apply notwithstanding any other provision of local, state, or federal law.
